**Ms. Mai Sharawy**  
National Multiple Sclerosis Society  
Egypt

Dear Ms. Mai Sharawy,

It was our greatest pleasure to listen to your exciting report at the EEMEA Experience Exchange for Patient Organization, Oman, and to come to know about the impressive activities the Egyptian Multiple Sclerosis Society has implemented.

To learn what your organisation has achieved is really amazing, and, no doubt, it will serve as an example for our counterparts to follow.

It is our delight to warmly congratulate you on that you have managed to reach such a high level of services for people we are struggling for, and we look forward to having even more splendid news of the kind coming from your country.

Yours faithfully,

Dr. Yan Vlasov, *M.D.*
